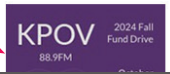
Laura Fouts Paints What Speaks To Her



"We have worked with other publications for our advertising over many years, and we always find that our best value for our time and money is working with *A&E Magazine*. We expect that our relationship will continue for the foreseeable future. We are excited to see how we can continue to do business with them to benefit our mutual goals."
~Artists' Gallery Sunriver // Betty Gray Gallery

"*A&E Magazine* is devoted to promoting the arts in Central Oregon cover to cover… this enhances the sense of how much is offered in our community for art lovers and is an essential vehicle to get the word out to tourists and locals alike every month. We will be always be in it."
~Susan Luckey Higdon // Tumalo Art Co.
